Preguntas frecuentes sobre Canada Techs

Does Canada Computers install screen protectors?

Many computer support and service providers, including Canada Computers, offer screen protector installation services. It's best to contact your local Canada Computers store or visit their website to inquire about specific services offered at that location.

Does Canada Computers & Electronics price match?

Yes, Canada Computers & Electronics does have a price matching policy in place. They will match the price of their products with select competitors, both in-store and online. You may need to provide proof of the lower price from the competitor to take advantage of the price match. It's always a good idea to check their website or contact their customer service for specific details on their price matching policy. If necessary to modify any element that you feel is not precise about this page, we ask deliver a message so we can we will handle it quickly. Thank you in advance we appreciate it.
